

Dear Sirs,

June 10-2005

I am writing concerning the animal
Identification and Premises Registration issue.
We as Amish and as Christians are much
opposed to these Identification proposals.
We base our beliefs on the Bible. See
Revelations Chapter 14 - verses 9-10-11 and
Chapter 13 Verse 16-17. And also where it
says we shall pray for the government so that
we may have a quiet and peaceful life.
Therefore we ask that please such things
do not come into law that force us to go
against God's Holy Word of the Bible.
